Andreas Martin new Business Director Lubricants at Hammonia Oleo

October 2018, Hamburg, Germany - Hammonia Oleochemicals GmbH (HOC) in Hamburg announce and welcome Mr Andreas Martin as Business Director Lubricants. Andreas has taken over this position October 1st, 2018. In addition to customer advisory service and sales responsibility, Mr. Martin will systematically extend and supplement HOC's portfolio for the lubricant industry.

"With Mr. Martin, we have succeeded in gaining an expert in the lubricant industry, who will decisively advance the strategic development of our still young company in the field of lubricants," says Patrick Knüppel, Managing Partner of Hammonia Oleochemicals.

Mr. Martin brings with him a wealth of experience gained as Head of Global Product Management for Lubricants Additives at Rhein Chemie / Lanxess and as Business Manager Lubricants at Nordmann, Rassmann GmbH in the distribution business.

"For me, it is a great challenge to be able to position a young company within the lubricant market as an ambitious player, both in direct customer contact and in the strategic area," says Andreas Martin, referring to his reasons for switching to Hammonia Oleochemicals.
