# Hammonia Oleo appointed Distributor for NISSHIN OILLIO's Line of High Performance Beauty and Personal Care Raw Materials in Germany

Hammonia Oleochemicals GmbH (Hammonia Oleo) the German based oleochemical and ingredients distributor announced today that The Nisshin Oillio Group, Ltd. , Japan, (Nisshin Oillio) selected Hammonia Oleo to distribute the line of its high performance beauty and personal care ingredients in Germany as of 1<sup>st</sup> February 2019.

"We are very impressed with Nisshin Oillio's range of specialty ingredients for the beauty and personal care market and are honored to have these innovative products as part of the Hammonia Oleo portfolio," said Marc Schlüter, Managing Director at Hammonia Oleo. "It's exciting to see Nisshin Oillio benefit from Hammonia Oleo's existing professional market set-up as well as our deep industry expertise with a team of technical and selling experts, all focused on the beauty and personal care market here in Germany."

Nisshin Oillio is a leading producer of specialty ingredients for the cosmetic industry. Their broad portfolio of high performing products includes low and high polar esters as well emulsifying and gelling agents, better known under their trade names in Japan COSMOL, SALACOS, NOMCORT and BASIS. An important addition to the existing Hammonia Oleo beauty and personal care portfolio, Nisshin Oillio's product range represents a variety of outstanding ingredients to meet the growing demand from brand and private labels owners located in Germany.

"Our products are used to manufacture high quality cosmetic products and are being known and used already for many years in a large number of international brands", said Mr.Keiichi Oyama, Ass. General Manager Fine Chemicals Dept. of Nisshin Oillio Group, Ltd., Japan. "Working with Hammonia Oleo will enable us to access a larger marketplace in Germany than we currently cater to and we are confident that Hammonia Oleo's reach and know-how will be an important asset for us in this regard."
